Knox Scout Reservation

Lincolnton, GA

September 25-27, 2026

Welcome to Webeloree 2026!

A Webelos Scout's quest toward their Arrow of Light Award is an important one. They are learning new skills and growing toward becoming an independent young person and transitioning into Scouting America.

At Webeloree, we understand the needs of Webelos Scouts, including the newly launched Cub Scouts Webelos adventures, and provide an action-packed, fun-filled, exciting weekend they will not soon forget!

This booklet contains information your Webelos will need to have a successful and fun time at this year's event at Knox Scout Reservation (KSR). Be sure to read **all** information carefully as we expect participants to act in accordance with the best Scouting traditions. We have written this booklet to be easy to understand, but if you have any questions, please feel free to contact the event chair, Marcus Lathrop- marcus.lathrop@yahoo.com.

Pack Coordinator

This is very important to ensure a successful event. Registration will be open until **11 September, 2026** for those wanting T-Shirts; **late registration will be open until 24 September but will NOT receive T-Shirts.** Pack Coordinators must register their group online (www.gacacouncil.org) by the deadline of **11 September, 2026** to enable Webelos and/or parents to secure T-Shirts. For small packs, a parent may serve in this capacity and register all attendees.

If a pack does not submit a name to the council, we will use the primary pack contact as the Pack Coordinator. The Pack Coordinator will be the main conduit for communication from the Event Chair to the pack.

We will distribute detailed program information to the Pack Coordinators via email. Please ensure your Pack Coordinator provides us with an accurate email address. **The Pack Coordinator will be responsible for checking the pack in (including medical forms) at the Sewell Center, and checking-out their Pack & picking up all medical forms on Sunday following the Closing Ceremony.**

Information

There will be an information station setup near the check-in area to help guide campers to their designated camping areas. If any further assistance is needed during the event, please see a Webeloree Staff Member or an assistant in the Sewell Center.

Vehicles in Camp

Vehicles are NOT ALLOWED in Campsites – National Policy! No Exceptions!!

- BSA regulations prohibit leaving parked vehicles at Campsites. Friday night campers will be permitted, **in coordination with Staff**, to drive vehicles to designated drop-off locations at/near their assigned campsite to unload equipment and promptly return vehicles to the general parking areas. **ALL VEHICLES MUST BE OUT OF CAMPSITE AREAS BY 5:00 PM FRIDAY EVENING.** Those units who wish to bring their gear prior to Friday must coordinate beforehand with event staff.
- Each unit may drop off **ONE** utility trailer at their assigned campsite, but must ensure it does not obstruct any walkways, is clearly within their unit's assigned campsite, is standalone (no attached vehicle), and **cannot be moved** until conclusion of campout Sunday morning as directed by Staff.
- Saturday night campers MAY be permitted to drive vehicles to their campsite between designated hours (to be determined) with **staff approval** in order to unload equipment then promptly return their vehicles to the parking area. This is subject to change based on any number of factors; STAFF WILL PROVIDE GUIDANCE.
- Staff will be present to coordinate and assist with getting gear to and from campsites **SAFELY** and promptly. **PLEASE DO NOT drive vehicles into campsites for any reason without first coordinating with Staff.**

Webeloree 2026

Georgia-Carolina Council Webeloree Leader Guide

First Aid

Small needs should be tended to at the campsite using Pack first aid supplies and trained adult leaders.

Larger needs should be directed to First Aid located inside the medical office at the Sewell Center. Medications may be stored in First Aid.

Camping

Camping on Friday and/or Saturday night is highly encouraged, but optional. There is no additional charge for camping. Please indicate online, during Pack Registration, the number of campers for each night. We will assign campsites based on those numbers. Campsites are assigned based on the **number of campers**. All campers will have access to water and electricity at their nearest pavilion. Port-o-lets will be located in areas near campers. Being prepared by bringing water with you will eliminate waiting in line at the pavilions.

***Packs with medical needs for electricity MUST indicate this on their registration form along with emailing event chair. We will not be able to relocate a pack at check-in.**

Meals

As Webelos are required to practice cooking skills and learn about proper food safety and preparation, we will NOT be providing meals.

This year, we are allowing additional time for lunch to give adequate time for Cub Scouts to learn cooking skills. Snacks, beverages, and candy may be available at our Trading Post, but do not plan on this for necessities.

All Packs are strongly encouraged to use personal mess kits for meals. This helps reduce the amount of trash we produce at Knox Scout Reservation and aids with clean up.

T-Shirts

All Scouts and Adults may pre-order T-shirts online during registration. Please be sure to add all desired T-shirts during registration. Due to unpredictable supplies, T-shirts may or may not be available for purchase in the Trading Post. There will be no orders placed after the event.

Webeloree 2026

Georgia-Carolina Council Webeloree Leader Guide

Water Bottles

No disposable cups will be available at Webeloree, but water refill stations will be placed at event sites around camp. As explained under meals, please ensure everyone has a REAL water bottle with them.

Check – Out

For packs not camping, check out will be after the campfire in the Sewell Center. For packs camping, check-out will be AFTER the Pack's campsite has been cleaned, all trash removed, and the site is inspected by a member of the Webeloree staff. (Please remove your trash and take to the nearest trash dumpster – behind Sewell Center.) Leave No Trace will be in full force for the event.

Dens

To best facilitate camp game Patrol Competitions, each Pack should group scouts into Dens (Patrols). The Dens should be formed based on rank – Webelos and Arrow of Light. The den size should be 5 to 6 scouts as some activities require this size group. Dens with 11 scouts or more should be broken into two smaller dens; **no den size should exceed 10 scouts**. Extra small Dens can be combined, **not to exceed recommended 10 at maximum**.

Dens may include scouts that are different ranks. At a minimum, each den needs a Den Leader (preferably their own). If the Den Leader or Assistant Den Leader is not available, the Pack must assign at least one parent to lead the Den during the program.

Dens will be together for: Opening Ceremony, Lunch, Den Competitions, Songs or Skits during Campfire Ceremony, Scout's Own Service and Closing Ceremony. At other times, Scouts will attend sessions as per their individual schedules. Free Time may include: hiking, knot tying, practicing for campfire skits, working on scouting skills, visiting Trading Post, competing in Den competitions, learning to play a sport and showing scout spirit.

Camporee Games

This year's Webeloree will include camporee games run by Order of the Arrow. Events will have first, second, and third place ribbons awarded at the Closing Ceremony on Sunday: (Please bring your Den and Pack Flags to the Closing Ceremony.) Games will be announced at the event as a Den challenge, just as they are at Scout Camporees. Games will be open after classes have ended (2:30 PM through 5:00PM).

Water Bottle Rockets

All Dens MUST create their den Water Bottle Rocket prior to the event and bring it with them to Webeloree. We will NOT be making rockets at Webeloree. This year's Rocket Launch will again be conducted as an additional station during the time allocated for camp games to ensure participants get to see their rockets launched! The launch area will be clearly marked for participant

safety. Failure to follow safety guidance will result in disqualification from the competition. We ask that Pack Leaders and adults help ensure attendees stay in designated areas during this event as it is always popular for the youth and we do **not** want any Scouts or participants injured!

Trading Post

The KSR Trading Post is now located at the Sewell Center. The trading post is managed by Council and may be open at various times throughout the weekend to include after the campfire ceremony. The Trading Post carries various snacks, beverages, candy, ice cream treats, scout items and KSR items. Cash, Check and credit cards accepted. Times will be posted on the Trading Post door and/or announced during the Friday evening Leader meeting.

What to Wear

Class A (field) uniforms should be worn for: Opening, Closing, Campfire, and Scouts Own Service.

(Helpful hint: Scouts should wear the Scout t-shirt underneath their Class A uniform during the opening ceremony, then remove the Class A shirt, fold it and store in their day pack for later wear.)

Schedule Alteration & Attendance

Times for the Campfire Ceremony and Closing Ceremony **may be changed** to ensure all events have been scored, and awards are ready at Campfire. Please be understanding and encourage Scout-like behavior. Remember a Scout is: trustworthy, loyal, helpful, friendly, courteous, kind, cheerful, obedient, thrifty, brave, clean, and reverent.

Also, if leaving the campfire early, **please do NOT leave** in the middle of a skit. It upsets Scouts when groups of people leave during their performance. Also, please remember cheerful applause is uplifting and encouraging!

Frequently Asked Questions

Q: If this program is designed around the patrol method, what is the role of the Cub Master/Pack Coordinator?

A: Their role is to coordinate their dens' registration, coordinate with the Event Chairs, keep track of medical forms, class schedules, etc. and ensure our Scouts and families have fun!

Q: Are Den Leaders required to stay with their dens?

A: Yes, during Den times. During rotating sessions, parents/leaders should accompany their Webelos Scouts.

Q: What if I do not want to camp?

A: Camping is a vital part of Scouts BSA and is highly encouraged, however, if you cannot camp, you can still participate in the program, which runs from 8 am to 9:30 pm on Saturday. If you do not camp on Friday night, please arrive at Camp Knox no later than 7:30 AM on Saturday as Check In will close at 8:00 am.

Q: What if a family changed their mind and wants to attend after the Pack submitted the Pack's registration? (Late Registration)
