

BOY SCOUTS OF AMERICA®

## Council Accident & Sickness Insurance Plan

**This brochure describes the Council Accident & Sickness Insurance Plan, arranged for you by Boy Scouts of America which we recommend. Although Scouting programs are designed for safety, accidents may happen. This insurance is designed to help meet the costs of medical care, paralysis, dismemberment and death. Claims involving medical and surgical treatment are payable on an Excess Insurance basis as described in this brochure.**

## Eligibility

All registered youth and leaders (including den aides/chiefs, unpaid seasonal staff and volunteer leaders) of each Boy Scout Council and Learning for Life program are eligible for coverage. Individual councils determine whether the coverage they purchase is "Youth only" or "Youth and Adult" and if coverage is extended to Learning for Life curriculum-based participants. New youth members added during the year are automatically covered until the renewal date. Coverage is also automatic for new leaders if the Council includes coverage for such members.

*Note: If your Council did not insure members of Learning for Life Curriculum-based program, they will not be insured unless coverage is purchased separately.*

Non-scouts, non-Scouters and guests who are being encouraged to become Scouts or leaders are automatically insured while attendance at a scheduled activity. Other guests are not covered. The same holds true for Learning for Life.

Councils may also elect the Family Member Coverage option to cover family members while in attendance at a council sponsored family event. Please contact your Council to determine whether this coverage was purchased.

Any participant in a Church of Latter Day Saints (LDS) sponsored unit is excluded from coverage under this policy because the LDS church has already provided insurance for participants.

## Coverage

The plan provides year-round coverage for injuries occurring anywhere in the world while:

- Participating in an official Scouting or Learning for Life activity. Seasonal camp staff are also covered during their off-duty hours, subject to the workers' compensation exclusion.
- Traveling to and from official Scouting or Learning for Life activities.

Coverage is provided for sickness that begins while the insured member is:

- In attendance at an official overnight Scouting or Learning for Life activity or covered event. Seasonal camp staff are also covered during their off-duty hours, subject to the workers' compensation exclusion.
- Traveling to and from such an overnight or other covered event.

## Questions and Answers

### **Q. What is an official Scouting Activity?**

- A. An activity carried out by youths who are registered members under the approval and overall supervision of unit leaders, in keeping with the policies and standards of the BSA.

### **Q. Why was the plan developed?**

- A. To provide each Council with the opportunity to include all members under one common Council-wide plan of accident and sickness insurance.

### **Q. Must all members of the Council be insured under this plan?**

- A. All registered youth and seasonal staff are eligible for coverage and must be insured unless they are registered to a unit chartered to an LDS Church. LDS units have their own insurance plan and are excluded from this policy. Coverage for volunteer leaders, including den aides/chiefs, is optional. If coverage for Learning for Life curriculum-based programs and/or family members is desired, all must be insured. If coverage for leaders is elected, all must be insured. Full or part-time employees of the Boy Scouts or Learning for Life are not eligible. However, if the employee participates as a "volunteer" they would be covered.

### **Q. If new members join after our Council has enrolled for the insurance are they covered?**

- A. Yes. New members are automatically covered as soon as their applications for membership are processed.

## Questions and Answers Continued

**Q. Are guests (brothers, sisters, friends) covered?**

- A. Non-Scouts, Non-Scouters, and guests who are being encouraged to become registered leaders or Scouts are automatically covered while in attendance at a scheduled activity. Family members are covered only if the Council purchased family member coverage. Other guests are not covered.

**Q. Will I receive informational material for all unit leaders?**

- A. Yes. When you enroll your Council in this plan, you will receive materials you will need to communicate the details of this plan to unit leaders. Claim forms and copies of this brochure will be sent to the Council for distribution to unit leaders. This brochure and the claim forms are designed to explain all the details of the plan and to answer most questions. Additional questions should be directed to the administrator - *Health Special Risk, Inc.* for specific answers.

**Q. How does the Council become involved in the administration of this plan?**

- A. This plan is designed to alleviate the Councils of most of the administrative responsibilities normally involved in an insurance program of this nature. Council administration is limited principally to validating claim forms (a simple procedure to assure that the claim is originating from a Council insured under this plan and that the person making the claim is registered through the Council or a guest invited specifically for the purpose of joining) and maintaining supplies for distribution.

**Q. How long is a member covered under this plan?**

- A. The insurance is in force until the end of the calendar year from the date the Council effects coverage.

**Q. Are participants in Learning for Life plans covered for Sickness?**

- A. Yes, if they are: in attendance at an official overnight Scouting or Learning for Life activity or other covered event operated and supervised by your Council. Seasonal staff are also covered during their off-duty hours, subject to the workers' compensation exclusion, and if they are traveling to and from such overnight activity or other covered event.
