2026 Silver Beaver Nominations Are Due September 1

The Silver Beaver Award recognizes service to youth in Scouting and in the community and is the highest volunteer award that can be bestowed by a local council. Those individuals will be recognized at the Gathering of Eagles in December.

We will be taking nominations through September 1st, 2026. The nomination form can be viewed [here](#). We always need a good pool of nominations if there are people in units, districts, or our council that fit the criteria then please nominate them.

The application needs to be complete to consider any nominations. This will help us to choose the right people.

Completed applications can be sent via email:

BeAScout Pin Update Time!

It's time to update those BeAScout pins! Pins in the BeAScout map are crucial to enable parents to find units for their families. Fall is when most prospective families start searching BeAScout.org for a Scouting unit near them. Your pin is often their very first look at your unit — and if it's out of date, they may never find you.
